Federal Election Commission
Attn: Jeff S. Jordan, Esq.
Supervising Attorney
Complaints Examination & Legal Administration
Washington, D.C. 20463

Re: MUR 6041

Dear Mr. Jordan;

I am the attorney for the Hanna For Congress Committee and Richard Hanna, the candidate and have previously filed a Statement of Designation of Counsel signed by the Treasurer, Daniel Robertello, CPA.

I am enclosing herewith my affirmation as an attorney together with the exhibits attached thereto as an answer and reply to the allegations set forth in the complaint lodged by Mitchell Ford, the city democratic chairman of Utica, New York against the Hanna for Congress campaign in the 24th Congressional District in New York.

I appreciate the courtesies of your office and the Commission in considering the attached information as an explanation of and an amelioration of the allegations of non-compliance with the Federal Election Campaign Finance Laws and Regulations.

This morning I spoke with Jeff Jordan and was extended permission to file this letter and attachments by telefax and that such filing would be considered timely.

In addition, I indicated that this letter should be considered an application for ADR treatment of the issues raised in the complaint and the accompanying response.

Sincerely,

29044234497

5. Confirm Your Eligibility

Federal law requires all online contributors to confirm that the following statements are true and accurate. If you cannot confirm each statement, you are not eligible to make a political campaign contribution.

1. This contribution is made on a personal credit or debit card for which I have the legal obligation to pay, and is made neither on a corporate or business entity card nor on the card of another.
2. I am a United States citizen or a lawfully-admitted permanent resident.
3. I am making this contribution with my own personal funds, and I will not be reimbursed by anyone for this contribution.
4. I am not a federal government contractor.
5. I am at least 18 years of age.

☐ I confirm that the above statements are true
